ER SERIES MEGAPHONES

From coaching to crowd control, TOA ER Series Megaphones are a great vehicle for getting your message across. Choose from ten handheld or shoulder-worn models for any application requiring portable sound reinforcement. Features include lightweight, rugged design, long battery life, and sound coverage up to 1/2 mile. Options include built-in or detachable microphone, siren or whistle tone, auxiliary input and external 12 VDC capability. An anti-bacterial treatment on selected models eliminates most germs within twenty-four hours. All TOA ER Series Megaphones carry a five-year warranty.

ER-510 HAND-HELD MEGAPHONE

- Compact, hand-held megaphone with built-in microphone
